

Empower, inspire, connect, collaborate

Lenovo K-12 hybrid classroom solutions

Hybrid is here. Enable learning anywhere.

Lenovo hybrid classroom solutions enable seamless collaboration for learning anywhere. Our ready-to-go kits transform any classroom into a flexible hybrid environment — easy to use, remotely manageable, and complete with Lenovo Premier Support.

Beyond providing synchronous learning for hybrid students, Lenovo virtual learning solutions allow you to:

- Solve low course enrollment across multiple buildings
- Bring master teacher high-quality instruction to multiple classrooms
- Host guest speakers
- Provide system-wide professional development
