

# Lenovo 300w Gen 3

The powerful Lenovo 300w Gen 3 delivers a simplified, secure experience optimized for a cloud-first learning environment in the classroom and beyond. Built on Windows 11, this flexible convertible boasts the latest AMD® 3015e Processors, integrated AMD Radeon™ graphics, robust security features, and simplified device management. Learning is seamless with Microsoft collaboration software and familiar, curated, education-first apps and productivity tools.

Engineered for the future of education, the Lenovo 300w Gen 3 boasts state-of-the-art features like a 360-degree Sync hinge, an optional 5MP world-facing camera, an optional AES garaged pen, plus a touch display with Pencil Touch technology—all with the rugged durability you've come to expect from Lenovo. Wi-Fi 6 capability means students can now enjoy faster connectivity while watching lessons, connecting virtually with classmates, and uploading their latest creation, while 4G/LTE keeps teachers and students connected in a world beyond Wi-Fi.

# Lenovo 300w Gen 3

## OPTIMIZED LEARNING

The Lenovo 300w Gen 3 combines the power of the latest AMD® 3015e Processors with Windows 11 for a streamlined environment designed to improve focus and enable student learning. Optimize online and offline lessons with familiar Microsoft 365 learning apps, along with curated education-first productivity tools. The 360-degree Sync hinge allows students and teachers to transition seamlessly between use modes for reading, writing, drawing, typing, content creation, and presentation.

## ENHANCED COLLABORATION

In addition to a variety of ports and outstanding battery life, the Lenovo 300w Gen 3 features a 720p HD front-facing and optional 5MP world-facing camera that turns any classroom into an interactive learning environment. New Wi-Fi 6 capability for faster speeds on crowded networks, coupled with Microsoft Teams integration, makes it easy to stay engaged with teachers and classmates by enabling virtual face-to-face interactions.

## INTERACTIVE—AND TOUGH—DISPLAY

Tap, scroll, and swipe with a finger on the 11.6-inch, touch display made with tough-as-nails CORNING® GORILLA® GLASS. Or use a No. 2 pencil to interact directly and safely with the screen without fear of scratches. More accurate than using a finger, the Pencil Touch technology is ideal for taking tests, drawing, and notetaking. Or use the optional garaged AES stylus located just inside for more precise content creation.

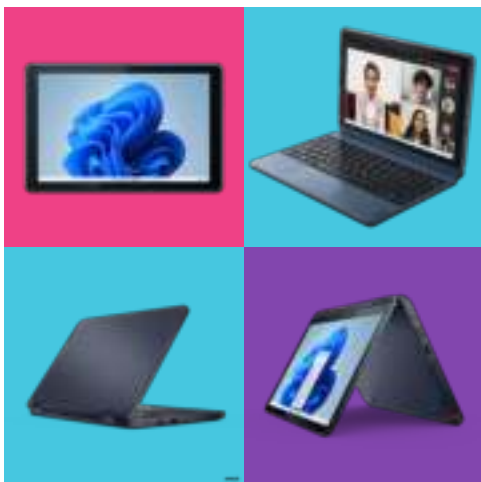

## EXTREME SECURITY

The Lenovo 300w Gen 3 delivers built-in security solutions, including a webcam privacy shutter for visual protection, Windows Defender Antivirus to detect and block malware, as well as Windows Defender SmartScreen to help defend students from unsafe web content and downloads.

## TOUGH TECHNOLOGY

Designed to MIL-SPEC-810H and Lenovo EDU Spec standards, the Lenovo 300w Gen 3 is built to withstand the scrapes, slips, and spills of a typical school day—whether in the classroom or at the kitchen table. This device features a drop-resistant design, improved water-resistant keyboard (up to 360 ml), improved mechanically anchored keys, and reinforced 360-degree Sync hinge.

## manageability

Manageability has never been easier. Deploy applications and policies designed for your classroom from the cloud using Intune for Education<sup>1</sup> to ensure the right applications are delivered to the right devices at the right times.

## accessibility

The Lenovo 300w Gen 3 with Windows 11 lets you create inclusive and accessible classrooms with tools like Immersive Reader. Additional tools from Windows for Education make it easy to highlight text, break down words, and read text aloud to help students of all learning abilities make the most of their lessons.

## performance

Ready for learning from anywhere, the Lenovo 300w Gen 3 features an AMD 3015e Processor, up to 256GB internal storage, and AMD Radeon™ integrated graphics.

<sup>1</sup>Subscription sold separately.

## Services

Lenovo offers a comprehensive portfolio of end-to-end services to support and protect your investment—so you can focus on the job at hand, not IT.

### MICROSOFT FOR EDUCATION

Microsoft Learning Tools apply proven techniques to improve reading and writing skills for students of all ages and abilities. Personalized learning tools, Teams integration, and Flipgrid video sharing allow teachers to educate students whenever—and wherever.

### ZERO TOUCH DEPLOYMENT

Provide students and faculty with an out-of-the box device experience using Windows Autopilot. Quickly enroll devices at scale to your cloud environment to get devices up and running fast.

### DEVICE AS A SERVICE FOR EDUCATION

Device as a Service for Education manages the lifecycle of devices so educators and ITDMs can ensure better learning outcomes. Includes affordable monthly payments, education-specific software and solutions, flexible service support, and DaaS for Esports.

### LENOVO EDUCATION PREMIUM CARE

Get added support for Lenovo Education laptops with 24/7 support hotline and choice of onsite or depot repairs from highly trained and experienced technicians.

### ACCIDENTAL DAMAGE PROTECTION (ADP)

Prevents the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops, or damage to the integrated screen.

## Accessories

### ThinkPad 12-Inch Sleeve

This fitted sleeve is designed to fit the most recent generation of 12-inch notebooks. It helps to protect the device from dust, shocks, scrapes, and scratches for superior PC protection. The slim, lightweight design also stows easily in a larger bag.

### Lenovo USB-C 7-in-1 Hub

Sleek and compact, this USB-C hub offers one-stop docking with up to seven options. Easily connect to an external 4K display with HDMI and up to three USB-A devices. There are also two SD/TF card readers and USB-C power pass-through.

### ThinkPad USB-C Wireless Compact Mouse

Get seamless four-way precision scrolling, blue optical sensor, and up to 2400 on-the-fly DPI adjustment. Wireless plug-and-play USB-C receiver allows you to pair with up to eight devices.

### Lenovo Go USB-C ANC In-Ear Headphones

Experience high-quality active noise-canceling audio in a highly portable in-ear package, and switch to an ambient “talk-through” mode at the tap of a button. Designed to work universally with any USB Type-C device, the in-ear headphones include in-line buttons for quick control of playback and calls, and three sizes of silicone ear tips are included for the best fit.
